There are always a few bits and pieces left over from holiday DIY projects using evergreen branches and clippings. While you could compost them, why not transform scraps into holiday touches for around the house. Here are 7 easy ideas to get you started (and a million more on Pinterest). Let's start with the one above which is a simple arrangement of leftover branches of balsam fir and eucalyptus (so fragrant!). Love this idea? [More here.](#)

FIVE MINUTE FLAIR

Gather up loose pine needles and bind with twine. Instant tassels!

ALL WOUND UP

Think walk in the woods...on a wreath. Just decorate the center.

UNDER WRAPS

Image one at each place setting? So easy to make. [Here's how.](#)

HOW HYGGE!

Simple and rustic, homey and fragrant. Less can be more. [More here.](#)

MESSAGE IN A BOTTLE

Rosemary is for remembrance. Tuck into a clear glass ornament.

JUST ADD WATER

Cranberry, candles, holly. What a splendid and colorful display!
