Here's a planter that will look great year round with just a swap-in of colorful annuals as the seasons progress. Now, in winter, the muted hues of antique pansies are perfectly paired with the foliage of coral bells, nandina, and Angelina sedum. (Thanks to Seattle's Swanson's Nursery for such an inspired idea!)

Easy and Colorful Winter Planter

What an inspired combination! A mix of shrubs (yes, you'll have to remove them eventually and plant in the ground) along with a ground cover wintergreen and sparkling white hellebores, ...

Foliage Keeps It Interesting!

It's true the warmer zones are now enjoying the first camellias as well as the last roses, but we still count on containers to keep the garden looking fresh and ...

Texture Keeps the Winter Garden Interesting (Zone: 3 – 7)

Whether coated by frost or under a few feet of snow, the winter garden can (almost) rival the beauty of summer's rich tapestry of flowers, flora, and fruits. The trick ...
